

Mno giizhigad Kina Wiya.

On behalf of the staff of Wasauksing Kinomaugewgamik, I would like to extend our sincere appreciation for all of your support in making our school reopening in September a great success. Our students have been adapting nicely to our new routines, and we are so pleased that we have been able to offer programming that has taken full advantage of the good weather that we experienced for most of the past several weeks, in order to engage in outdoor learning activities as much as possible. In addition, the cohort model (Group A and Group B) has allowed for enhanced individualized instruction, as our class sizes are much smaller at the present time.

As you know, we had indicated that we would re-evaluate our decision about our current model before Thanksgiving weekend. In trying to determine the best course forward, we have reflected upon the successes to date, the trends across the province in terms of the number of daily COVID-19 cases, parental concerns, and the advice of our Health Department, among other considerations.

At this time, we are going to maintain our Group A & Group B rotation until October 30, and over the next week, we will be sending out a survey to all of our parents, to guide us in making longer-term decisions for the remainder of the school year.

The next few weeks will be crucial in terms of the 2nd wave in Ontario. We will continue to monitor the daily reports as to the rise or decline of cases, and will review the feedback that we will gather through our parent survey, in order to determine when we might return to daily full class instruction.

Please know that our decisions always have the safety and wellbeing of your children first and foremost in our minds and hearts.

Please contact us via email at school@wasauksing.ca or call us at (705) 746-5663, if you have any questions about this matter.

Miigwetch for your understanding and ongoing support!

Catherine Pavis
