Public Health Ontario Resources

World Health Organization Representative Office for Papua New Guinea

How to **put on, use, take off and dispose** of a mask

- 1** Before pulling on a mask, wash hands with alcohol-based hand rub or soap and water
- 2** Cover mouth and nose with mask and make sure there are no gaps between your face and the mask
Avoid touching the mask while using it; if you do, clean your hands with alcohol-based hand rub or soap and water
- 3** Replace the mask with a new one as soon as it is damp and do not re-use single-use masks
- 4** To remove the mask, remove it from behind (do not touch the front of mask); discard immediately in a closed bin; wash hands with alcohol-based hand rub or soap and water
