## **Chief and Council Community Update COVID-19 Recovery/Action Plan**

Wasauksing First Nation Chief and Council have reviewed the COVID-19 response to-date and we are very thankful and appreciative of the hard work and dedication of the organization, our staff, and the Community. Miigwetch for keeping us safe! It's great to see the ongoing vaccination clinics and we strongly encourage everyone to get vaccinated (if possible).

The pandemic has brought on many challenges and has been a wake-up call for Turtle Island. In response, we have developed a two year plan to help focus and guide our response to COVID-19.

### COVID-19 Action Plan

On March 16<sup>th</sup>, 2021 Chief and Council approved the COVID-19 Action Plan by Motion 03-16-21-5. Moving through the 2021-2023 Council term, Chief and Council will support ongoing community initiatives/projects with a focus on the 2-year Action Plan. This plan will help us ensure that we move forward important strategic and community plan projects to better support those in need. The plan tries to touch on as many important and interconnected areas as possible, including:

Housing & Infrastructure  
Youth Recreation and Play Space(s)  
Post Secondary Education  
Economic Development  
Culture & Language  
Governance

Project updates from WFN will be coming soon and please watch for any initiative/project employment opportunities. Please note that some employment opportunities may be directly through contractors.

Council will also be continuing to advocate for any additional funding required to support and/or advance action plan and community initiatives.

Please stay safe and we look forward to connecting soon.

Wasauksing First Nation Chief and Council
