## Communicable Disease Emergency-RN

**Program Area:** Health-Primary Healthcare Team  
**Classification:**

### Reporting Protocol:

This position reports/consults directly with the Director of Health (Administrative Lead-PC) on all matters of public health; pandemic/communicable disease policy and directives; for clinical directives/public health reporting etc. this position consults with the Nurse Practitioner (Clinical Lead-PC);

**Direct Staff Responsibilities-**interacts directly with other staff; provides day to day communicable disease supports to the Health Staff; WFN Community; and nursing staff

**Indirect Staff Responsibilities-**None at this time.

### Position Summary:

The Communicable Disease Emergency-RN works collaboratively with the physicians; PC-NP; HCC-RN Coordinator; RN Case Manager; Community Health Representative and other members of the team and the Wasauksing First Nation Community Members/Residents by providing the highest quality health services that contribute to community public health intervention, policy and program management. This position is key to the development and shaping of strategies for disease prevention and immunization for the adult population (during COVID 12+). Work within the community to assist in the treatment of illness; identify potential epidemics; promotion of plans and play an instrumental role in disaster planning and regional/global pandemic responses by the application of knowledge, skills and abilities to promote health.

### Requirements of the position:

#### Mandatory

- Must have a BScN and current College of Nurses of Ontario Certificate of Competence, possessing a minimum of 2 years recent experience in public health;
- Must have a minimum 2-years of previous related experience in a community setting;
- Must be knowledgeable with computer programs such as Microsoft; EMR-PS Suites;
- Current CPR Level C, AED and First Aid Certification;
- Current and valid Class G driver's license; access to a reliable vehicle; appropriate insurance to transport clients willing to provide a current Driver's Abstract for purposes of providing transportation support to programs and services;
- Provision of a current CPIC-Level 3;
- Members with the Registered Nurses Association of Ontario;
- Be dependable and possess a high level of professional ethics.

### Qualifications and Skills/Experience:

- Ability to speak Ojibway would be an asset;
- Evidence of knowledge, understanding and sensitivity for Wasauksing First Nation's history; culture and health issues would be an asset;

- Evidence of a high level of competency in interpersonal relations;
- Proficiency in Microsoft Office and other computer software; ie; statistical programs/Excel;
- Excellent and demonstrated verbal and written communication skills;
- Excellent ability to prioritize, plan, organize and schedule;
- Communication skills, verbal and written;
- Organizational and time-management skills;
- Financial management knowledge;
- Administration skills;
- Conflict resolution skills;
- Demonstrated analytical and problem-solving skills as they pertain to public/community health; ie; ability to read charts; graphs; and analyze differing reports from a number of medical/public health resources.
- To be able to work under minimal supervision
